Mission

Accelerating Supply Chain Performance

Purpose

The purpose of the SEA membership is to fund SEA operations. SEA has established an annual budget and membership fees are established based on the approved budget.

Customer Advisory Council

No Charge

Customer Advisory Council membership is reserved for SEA customers and industry representatives. Customers are prime contractors, major subcontractors, and their customers and suppliers typically with more than \$50M in annual spend. Advisory members influence the strategies and direction of the SEA organization and have access to all SEA benefits as listed on the Customer Advisory Council Engagement Plan.

Supplier Advisory Council Membership

\$19,000/yr

SAC membership is open to aerospace, defense, and space sub-tier suppliers. To be eligible, suppliers must complete the Performing Membership requirements for Phase 4, and submit a SAC Interest Application. Membership is subject to SAC acceptance.

Performing Membership

\$8,500/yr

Performing membership is open to aerospace, defense, and space suppliers. Suppliers are listed in the SEA Supplier Registry and can access development programs sponsored by SEA and listed on the SEA website JOIN tab.

Basic Membership

\$6,500/yr

Basic membership is open to aerospace, defense, and space suppliers. Suppliers are listed in the SEA Supplier Registry and can access development programs sponsored by SEA and listed on the SEA website JOIN tab.

Associate Membership

\$125/yr

Associate membership is open to individuals. Associate Members are listed in the SEA Membership Directory and can access benefits sponsored by SEA and listed on the SEA website JOIN tab.

Consulting Membership

\$600/yr

Consulting membership is open to individual consultants and service providers. Consulting Members are listed in the SEA Membership Directory and can access benefits sponsored by SEA listed on the SEA website JOIN tab.

I would like to apply for membership subject to the terms and conditions listed on pages 1 and 2 of this application.

Membership Terms & Conditions

1. Memberships are available to firms and individuals engaged in the production of aerospace, defense, and space systems, or support of these manufacturers.
2. SEA will provide member services as defined on the JOIN tab of the SEA website. These benefits may be changed from time to time at the sole discretion of the SEA with written notice. In the case of conflict between printed materials and the SEA website JOIN tab, the JOIN tab prevails.
3. SEA membership operates on an anniversary basis from the date the member first joined. Members will pay fees annually by their anniversary date unless other arrangements have been made for payments with the SEA administrative office. SEA Membership fees are non-refundable and payment plans are annually binding.
4. SEA has certified consultants called Authorized Service Providers “ASP” in the implementation of the Lean Enterprise System. The features of the SEA Lean Enterprise System are unique and have been designed to support an industry-wide conversion to lean practices designed to ensure competitiveness for small to mid-size companies. SEA makes no representations or guarantees as to the fitness neither of the organization to receive services nor to the results that might be produced through such services. ASP results are largely a result of company leadership and therefore cannot be guaranteed in any way.
5. SEA has certified consultants as Consulting Members. These members have not been certified to implement the SEA Lean Enterprise System but rather have been familiarized with the SEA Roadmap and how to provide services that are compatible and supportive of the SEA Roadmap implementation. SEA makes no representations or guarantees as to the fitness neither of the organization to receive services nor to the results that might be produced through such services. Consulting Member results are largely a result of company leadership and therefore cannot be guaranteed in any way.
6. Payment is due annually at the beginning of each membership year. Members may pay using an approved credit card or check – a discount will apply for prompt payment by check only if received within 15 days of invoice.
7. Membership applications will be reviewed in accordance with SEA by-laws and acceptance of membership applications is subject to board review and will be communicated in writing.
8. Member and SEA shall at all times maintain in the strictest confidence all information that is of a confidential and proprietary nature, and both SEA and Member shall exercise reasonable measures to prevent the unauthorized use of this information. SEA will be authorized to publish Member identity, to issue press releases, and to publish conference materials. Such publications shall be reviewed and approved by Member in a timely manner and approval shall not be unreasonably withheld.
9. Memberships in SEA are non-voting memberships.
